Data Rights and Computer Software License  
Terms and Definitions

The following definitions describe define the data rights terms used as part of this transaction:

**Rights Terms and Definitions**

Term	Definition
<b>Unlimited Rights</b>	<i>Unlimited rights</i> means rights to use, modify, reproduce, perform, display, release, or disclose technical data in whole or in part, in any manner, and for any purpose whatsoever, and to have or authorize others to do so.
<b>Government Purpose Rights</b>	<i>Government purpose rights</i> means the right to use, modify, reproduce, release, perform, display, or disclose technical data within the Government without restriction; and release or disclose technical data outside the Government and authorize persons to whom release or disclosure has been made to use, modify, reproduce, release, perform, display, or disclose technical data for United States government purposes. The five-year period, or such other period as may be negotiated, would commence upon execution of the Other Transaction Agreement that required development of the items, components, or processes or creation of the data. The Vendor will have the exclusive right, including the right to license others, to use technical data in which the Government has obtained government purpose rights under this agreement for any commercial purpose during this five-year period. Upon expiration of the five-year or other negotiated period, the Government would receive unlimited rights in the technical data and computer software.
<b>Limited Rights</b>	<i>Limited rights</i> means the rights to use, modify, reproduce, release, perform, display, or disclose technical data, in whole or in part, within the Government. The Government may not, without the written permission of the party asserting limited rights, release or disclose the technical data outside the Government, use the technical data for manufacture, or authorize the technical data to be used by another party, except that the Government may reproduce, release, or disclose such data or authorize the use or reproduction of the data by persons outside the Government if—

	<p>is—</p> <p>(i) The reproduction, release, disclosure, or use</p> <p>(A) Necessary for emergency repair and overhaul; or</p> <p>(B) A release or disclosure to—</p> <p>(1) A covered Government support contractor in performance of its covered Government support contract for use, modification, reproduction, performance, display, or release or disclosure to a person authorized to receive limited rights technical data; or</p> <p>(2) A foreign Government, of technical data other than detailed manufacturing or process data, when use of such data by the foreign Government is in the interest of the Government and is required for evaluation or informational purposes;</p> <p>(ii) The recipient of the technical data is subject to a prohibition on the further reproduction, release, disclosure, or use of the technical data; and</p> <p>(iii) The contractor or subcontractor asserting the restriction is notified of such reproduction, release, disclosure, or use.</p>
<b>Restricted Rights</b>	<p><i>Restricted rights</i> applies only to noncommercial computer software and has the meaning included in Defense Federal Acquisition Regulation Supplement 252.227-7014(a)(15).</p>
