18	RFS_NOLDS_Amendment-0001_24June2020	5.1 / 5.1.1.10	As part of the <i>"Combined Technical and Price Volume"</i> we are required to submit <i>"Government Desired Rights in Technical Data and Computer Software"</i> . What exactly do you want us to submit? Filled out Attachment 11 and 13?	RFS Section 5.1.1.10 identified the Government desired rights. In response to this, Attachment 11 should be utilized to provide the vendor's data rights assertions.
19	RFS_NOLDS_Amendment-0001_24June2020	5.1 / 7.1	As part of the <i>"Combined Technical and Price Volume"</i> we are required to submit <i>"Data Rights Proposal and Assertions"</i> . Should this be submitted in Attachment 11? 13?	Attachment 11 should be utilized to provide the data rights assertions. The intent of Attachment 13 is to make the vendor aware of End User License Agreement (EULA) governing language. This document will be incorporated into the project award if there are applicable EULAs. All applicable EULAs must be provided during SOW collaboration with the selected vendor.
20	RFS_NOLDS_Amendment-0001_24June2020	5.1 / 5.1.1.3	As part of the <i>"General Volume"</i> we are required to submit <i>"Foreign Owned, Controlled or Influenced (FOCI) status"</i> . Will filling out and submitting the <i>"Self Vetting Form UNCLASS-FOUO-2"</i> form satisfy this requirement? If not, what documentation do you require to certify that we are not foreign owned or under USA FOCI status?	For the purpose of reporting FOCI status, the vendor should review and follow the instruction identified in Attachment 15.
