12/18/2020	295	RFS PWS	3.8.4.4	Is it correct to assume that the Central Node shall not be pre-loaded as it is indicated as being GFE in section 3.8.4?	Central nodes, Field Server, Edge Nodes, Excon Laptops and OC Mobile devices are not GFE but need to be procured by the TSS/TMT vendor and pre-loaded with appropriate TSS/TMT software when delivered to the Fielding Locations and Development / User Feedback Locations indicated in PWS Tables 3-2 and 3-3.
